

Many times Fall can be the best time of the year to either build a new deck or resurface an existing one to give it a new look. Either way, money spent on outdoor living is one of the best investments that you can make in your home. Capps Home Building Center is pleased to offer the following **Fiberon Fall Special** to truly make this the best time of the year to add the deck that most homeowners dream of!

- Any Fiberon Decking product purchased through Capps Home Building Center from September 15, 2015 through October 30, 2015 will qualify for a **\$3 per board rebate**.
- Rebate funds will be paid to the purchaser of the material by November 15th either in form of a check or Capps credit.
- All purchases will qualify for entry in a drawing for a Yeti Cooler provided by Capps Home Building. There will be one entry for every \$100 spent on Fiberon Decking or Railing.
